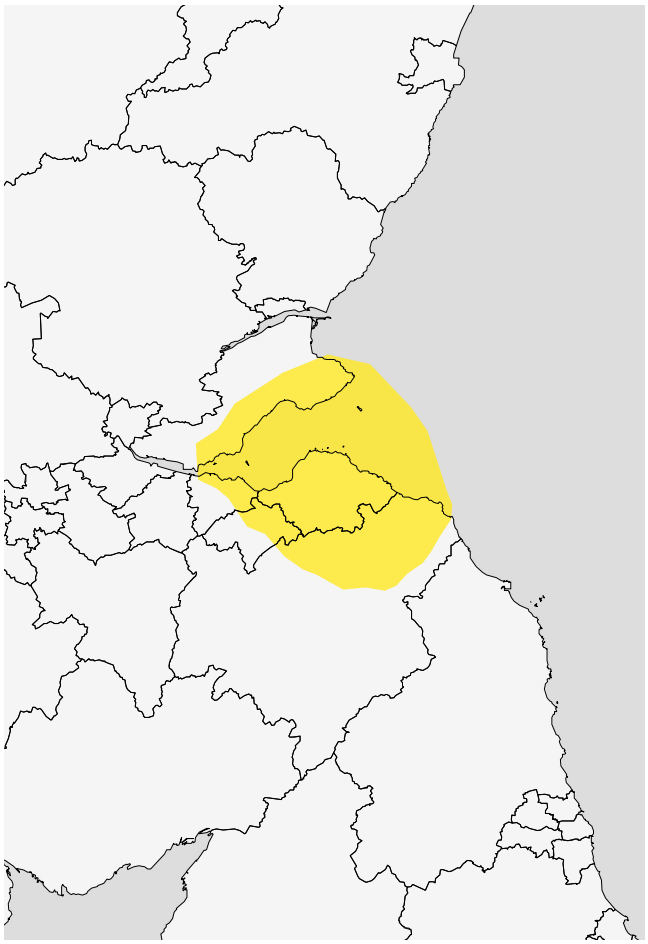
Yellow warning
Thunderstorm

Between
15:00 Fri 25 Aug 2023 and
09:00 Sat 26 Aug 2023



Heavy showers and thunderstorms may lead to some flooding and travel disruption.

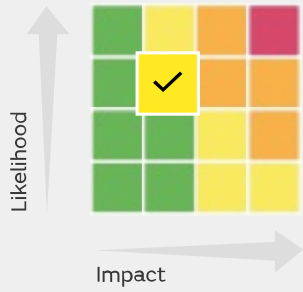
What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is possible
- Possibly some damage to a few buildings and structures from lightning strikes

Further details

Heavy showers and a few thunderstorms are likely to develop through Friday afternoon, and although easing for a time mid evening, are likely to become more widespread overnight. The showers will be slow moving in places leading to hourly rainfall accumulations of 10-20 mm with the chance of 30 to 40 mm in a few hours.

Lightning will be an additional hazard.



Medium likelihood of low impacts
